

LANDMARK[®] SERIES

LUXURY & DESIGNER ROOFING SHINGLES

So much depends on your roof.

Landmark Series shingles are engineered to outperform ordinary roofing in every category, keeping you comfortable, your home protected, and your peace-of-mind secure.

EXCEPTIONAL QUALITY

Our Landmark Series of high-performance shingles offers four levels of weight and thickness. The heavier the shingle, the more depth and dimension it offers. All four offer the exceptional quality of the industry's toughest fire-resistant fiber glass base embedded with our color-rich ceramic granules.

LASTING BEAUTY

Within the Landmark Series, you get the dimensional appearance of wood-shake roofing combined with the flexibility of the industry's most robust color palette. They also come with our exclusive StreakFighter® warranty, protecting your roof from streaking that can be caused by airborne algae.

PEACE OF MIND

CertainTeed's asphalt shingle warranty is truly in a class all its own. Our enhanced lifetime limited warranty protects against ANY manufacturing defect, including aesthetic defects.

Depth of Character

LANDMARK® TL

Dramatically thick. Classically elegant. These wood-inspired shakes offer triple lamination for rugged wear with real charisma.

- Look of hand-split cedar
- Patented 3-layer laminate
- Random tab design and unique natural shadows
- A luxury-class shingle produced at a fraction of the cost of wood shake

Integrity Roof System™

Integrity is built from the bottom up. Layer-on-layer, only CertainTeed provides the peace of mind that comes with the best components performing together for peak efficiency.

1. Waterproof Underlayment

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams

2. Water-resistant Underlayment

High-performance underlayment provides a water-resistant layer over the roof deck and a secondary barrier against leaks

3. Starter Shingles

Perfect starts every time and designed to work in tandem with the roof shingles above

4. Roof Shingles

Choose the best, covered by the strongest warranty in the business

5. Hip & Ridge Caps

Perfect finish for hip and ridge lines, complementing all CertainTeed shingles

6. Roof Ventilation

Engineered for ideal roof ventilation especially when matched with CertainTeed Intake Vents

Add a Little Accent to Your Roof.

CertainTeed offers Mountain Ridge®, an accessory product used for capping hips and ridges. It is the perfect finishing touch for your roof, offering blended color and high-profile design. CertainTeed also offers Shadow Ridge®, a low-profile design for capping hip and ridges.

Color Companion Products™ for Flat Roof Areas

With CertainTeed Flintlastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintlastic SA is a self-adhering low slope roofing product available in eight colors that complement some of the most popular CertainTeed shingles.

RESIDENTIAL ROOFING

The best
formula under
one roof.

We start with the highest-quality raw materials and add state-of-the-art technology to monitor our manufacturing process and test our finished products. The result is superior performance from beginning to end.
